Dear Mr. Nadiadwala,

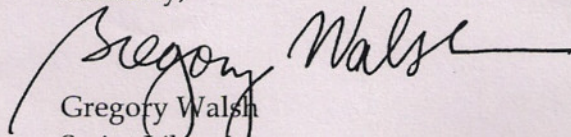

The Library of the Academy of Motion Picture Arts & Sciences is interested in acquiring a copy of the screenplay KAMBAKKHT ISHQ for the permanent Core Collection. The scripts in our collection are made accessible for research purposes only; students, filmmakers, writers and actors are among our regular patrons. As a research library, we do not allow materials to circulate; they may only be studied inside the reading room. Also, we forbid any photocopying of screenplays.

If you can provide a copy for the collection please send it to the address below or email it to gwalsh@oscars.org.

Please contact me with any questions at (310) 247-3036 x209. You may also visit our website at <http://oscars.org/library/index.html>.

Thank you for your help. Your assistance is greatly appreciated.

Sincerely,

Gregory Walsh
Script Librarian
